- There have been 2 owner.
- Are the Service Records Available?
- There are 3 Service Records Available.
- Is it worth more than the Blue Book value?
- No, its worth \$240 less than the Blue Book value.

Why this car?

- I choose this car because I always wanted a jeep. I like the way it looks. Plus this car is not expensive. Based on the information the seller have provided this car has never been in any kind of accident. The price is not bad because the car is in a very good condition. Its mileage is 93,233 and the price is \$9,995. it's a sport car. Its pretty clean almost new.
